Styling Your PPE with Decals!

December 8, 2014 - Healthmark Industries has announced that they are offering PPE Decals to its labeling product line.

PPE Decals are great ways to style your personal protection equipment. They are offered in different styles to show support of a specific cause, department or hospital. They include “support ribbons” which can color coordinate to match monthly awareness campaigns like *Breast Cancer Awareness* or *Alzheimer’s Disease Awareness*. Additionally, the 3” x 3” *Heart of the Hospital* stickers are a great way to showcase a department’s value to its facility. Be sure to stay tuned for upcoming additions to the PPE Decal line!

For more information go to:
