Styling Your PPE!

January 22, 2015 - Healthmark Industries has announced the launch of their new website www.styleyourppe.com.

Style Your PPE is a site meant to help SPD Professionals add a little fun to a serious dress code.

The website is designed for the individual, featuring our new innovative Cool Aids. There are few better ways to beat the heat within the SPD or Operating Room than these lightweight, latex free cooling devices. Simply submerge the head gear or neck band in cold water for 2-3 minutes, and the enjoy hours of cool temps. They are available in beanies, skull caps, neck bands and vests.

Style Your PPE also now offers PPE decals. They are perfect for displaying your pride as the heart of the hospital or showing your support for an important cause.
