Handheld Multi-Magnifier

Fraser, MI, December 15th 2016 - Healthmark Industries has announced the addition of the Handheld Multi-Magnifier to their Optical Inspection product line.

This unique product features magnifications of 3x 10x, and 55x lenses, five LED lights for illumination and a light switch with four modes, conveniently built into one unit

Designed to comply with AAMI ST91 for enhanced visual inspection of flexible endoscopes, the Handheld Multi-Magnifier is a useful tool to perform detailed visual inspection of flexible endoscopes that allow the assessment of external surfaces. The metal coated unit is 115 x 40 x 10mm (4.5 x 1.5 x 0.4 inches) and includes three 1.5v batteries.

About Healthmark Industries Co., Inc.
