Econo-Locks
Quality seals for an exceptional value

Econo-Locks are Healthmark's inexpensive plastic seal option. They feature a traditional hasp-style lock and are an exceptional value. Econo-Locks are unnumbered and packaged 100 per box.

C

C

Cynch Locks
Pull to varied degrees of tightness

Cynch Locks are plastic locks that can be pulled to varied degrees of tightness. To break, simply tug and twist at the lock barrel. Cynch Locks are available numbered or unnumbered and are packaged 100 per box.

Twist Locks

Easy-to-break, numbered seals

Twist Locks are considered one of the easiest seals to lock and break by hand. Pull on it, twist it or snap it at the score to break the seal. Offered in a variety of colors, all Twist Locks are numbered and they are packaged 100 per box.

## Long Cynch Locks

15, 11 and 7 inch lengths available

Long Cynch Locks are available in 3 lengths: 15 inch, 11 inch, and 7 inch. The cynch design of these locks allows them to be used in a variety of situations. All 3 styles of Long Cynch Locks are numbered and packaged 100 per box.

Plastic & Wire Locks

Tough plastic body and wire hasp

Plastic & Wire Locks are seals that are made of a tough plastic body and a wire hasp. They are available in a variety of colors and each includes a write-on panel. All Plastic & Wire Locks are numbered and packaged 100 per box.

Loop Locks

Ideal when a longer seal is needed

Loop Locks are ideal when a long seal is needed. They can be quickly and easily sealed and they are also easy to open with a tug. Available in yellow or orange, all Loop Locks are numbered and packaged 100 per box.

	Item Number	Style	Color	Numbered/Unnumbered	Qty

D	927-07	7" Long Cynch Lock	Yellow	Numbered	100
E	PWR-6	Plastic & Wire Lock	Black, Blue, Green, Orange, Red, White	Numbered	100
F	9075-2	Loop Lock	Yellow, Orange	Numbered	100

Swap & Go Crash Cart Boxes

Keep crash cart materials readily available

Instantly restock crash carts while organizing and standardizing drawer layout with the Swap & Go Crash Cart Box. When used along with our optional dividers and Self-Seal Security Bags, users can keep crash cart materials readily stocked and available for replacement without interruption.

Lockable Vaultrays

Tough, lockable trays for secured storage

Lockable Vaultrays are available in multiple sizes with clear or opaque hinged covers. Each is made of tough ABS plastic and includes breakaway seals for closed, use-controlled storage of supplies. Optional dividers are also available for organization.

Self-Seal Security Bags

Secure and protect items for later use

Self-Seal Security Bags are available in two sizes/styles. Each option includes an adhesive seal to secure items inside. This is an ideal solution for crash cart supplies when used along with Healthmark's Swap & Go Crash Cart Boxes.

Tamper-Evident Tape

Clearly identify items as "Secured"

Identify contents as "SECURED" for special or limited access with this red Tamper-Evident Tape. The roll includes 325 adhesive seals that are 1x4 inches. The Tamper-Evident Tape also includes fillable fields for "BY" and "DATE".
Instrument Repair Tags

Tamper-evident, preprinted tags

Identify instruments requiring repair, sharpening or "good" with brightly color-coded tags. Tags are preprinted with "Repair," "Sharpen" and "Good". Instrument Repair Tags are steam, EtO and Plasma autoclavable.
